Minutes from August meeting unanimously approved

Treasurers/Budget Report:

Karen presented the official budget.

PBIS - withdrew 915 to purchase three 300 gift cards for teacher/student PBIS lunches.

Adding 2 lines to restricted funds for current 7th grade and current 6th grade DC trips (in case they start fundraising this year)

From Feb 2016 - June 30 the football income was \$3990 (57 passes)

From July 1 2016 - current the football income is \$1750 (25 passes)

We have sold 92 passes. We have about 130 spaces

We need to pay the \$475 insurance bill.

We need to pay the guards bill (and get the Security Guards invoice).

Income budget lines:

Should we remove Thermo Fisher?

We need to add fry's and get the word out (budget line was changed from safeway)

We need to remove Target

Unreconciled amount is surplus at this point, since we had an excess of 6574 at beginning of the year. The expenses and income are balanced, but we're subtracting the restricted funds.

President's Report:

None

Vice President for Parking Fundraising Report:

No report. Edward was absent. However, there was a lengthy discussion about parking passes, students parking illegally and the system currently used to get football passes to parkers ahead of the season.

Vice President for Fundraising at Large Report:

Stefanie asked Principal Sanchez for his wish list for this year. Mr. Sanchez reported that the Site Council is exploring purchasing a projection screen. Mr. Sanchez is hoping PTSO can work to fundraise for new PE lockers as they are in bad shape. Stefanie planned to ask on the Facebook page if any other parents had ideas for what they wanted to work on this year.

Discussion about the Marquee, volleyball courts (perhaps working on a grant), a sun safety program was mentioned, basketball courts also mentioned, band shell backers

Karen found the PTSO's tax ID and there was a discussion about the pros and cons of joining the national PTA. Mr. Sanchez felt PTSO had been running fine without it for the past 8 years. Not being part of the national PTA allows us to have line items not allowed by the national guidelines (mentioned by Carolyn).

Principals Report:

Mr. Sanchez reported on several topics.

- Enrollment now at 814
- Spanish teacher was found (did not have one at the last meeting)
- After school program starts 9/12
- GSRR's must be signed and returned (this is the Guide to Student's Rights and Responsibilities)
- AzMERIT—teachers were going through the records with students during advisory so they would know what their own report means. The reports were also to be mailed out in a few weeks.

Community Liaison Report:

Ms. Mosconi:

- Student teachers and tutors were to start the day after Labor Day
- Wendy and Luz helping with clothing closet but we could use more help to get it straightened out. Thank you to the volunteers who have already pitched in.
- A high number of refugee students this year but we were able to give them 5 sets of uniforms.
- Asked to collect shopping bags so students don't need to take their clothes home in grocery bags.

New Business:

- Consider basketball parking this year for extra revenue (this would need to be discussed with Edward) It was agreed to add this to the agenda for October

Old Business:

- Update on Parent Pickup: UAPD and School Safety have come out, exploring options including making Mountain a 1-way and reconfiguring the parking lot

Next Meeting and Adjournment:

The next meeting is scheduled for Thursday October 6th, at 6:00 pm in the school library.

Meeting adjourned at 7:45pm
